Congresswoman Letlow's 'COVID-19 American History Project Act' passes overwhelmingly in the House

Congresswoman Julia Letlow
Photo by Brooke Thorington

For Congresswoman Julia Letlow her first piece of legislation to pass in the House is a personal one. Letlow's COVID-19 American History Project Act passed overwhelmingly 376-47. The legislation tasks the Library of Congress to record, collect and preserve stories of Americans directly impacted by COVID.

This bill will allow us to use our

voices as citizens, to write the history of this time for future generations," said Letlow.

Days before Letlow's husband Luke Letlow was to be sworn in Congress, he died of complications from COVID. She then ran for his seat and now represents Louisiana's 5th Congressional District.

Scholarship Program Collections Underway

The Catahoula Parish School System is preparing for the 2nd Annual Rapides Foundation Forum/Honors Banquet. It is also collecting funds from local businesses for the scholarship program that was implemented last year. All donations will provide individual scholarships for students and will be drawn on a random basis at the banquet. Senior students on the university pathway with a cumulative 'A' average for all high school credits

through mid-term of their senior year will be invited to the banquet and will be eligible to win one or more scholarships depending on the donations collected.

Last year, each student attendee won two scholarships each. Donations are tax deductible with all checks made out to the Catahoula Parish School Board (CPSB). Businesses wishing to make donations are asked to mail them to CPSB, Attn: Christi,

PO Box 690, Harrisonburg, LA 71340. Donating businesses are invited to have two people attend the banquet to present their scholarship. Anyone mailing a donation is asked to include the names of those that will attend to represent the business.

The banquet will be held May 9, 2022, at the Block High School Auditorium at 6:00 P.M. The deadline for scholarships and RSVPs will be April 20, 2022.
