NOTICE TO PUBLIC OF ACTION LOCATED WITHIN FLOODPLAIN

July 21, 2021

TO ALL INTERESTED AGENCIES, GROUPS, AND PERSONS:

A notice appeared in the Alexandria Town Talk on Friday June 18, 2021; Baton Rouge The Advocate on June 17, 2021; Coshatta Citizen on Thursday June 17, 2021; Eunice News on June 17, 2021; Franklin The Banner-Tribune on June 16, 2021; Homer's The Guardian-Journal on June 18, 2021; Jennings Daily News on June 20, 2021; Jonesville's Catahoula News Booster on June 23, 2021; Lake Charles American Press on June 17, 2021; The Lake Providence Journal on June 24, 2021; Many Sabine Today on June 23, 2021; Marksville Weekly News on June 18, 2021; Minden Press Herald on June 18, 2021; The Natchitoches Time on June 17, 2021; New Iberia The Daily Iberian on June 18, 2021; New Orleans The Times-Picayune on June 17, 2021; Tallulah Madison Journal on June 17, 2021; Vivian The Caddo Citizen on June 17, 2021; and West Monroe The Ouachita Citizen on June 17, 2021 inviting participation in the floodplain management decision-making process. Specifically, we invited comments regarding the Lead Hazard Reduction Grant Program being proposed by the Louisiana Housing Corporation (LHC).

LHC's LSHHHP will administer the HUD Lead-Based Paint Hazard Control Grant Program (Grant # LALHB0718-19) which has been awarded a federal award amount of \$3,000,000.00 with \$300,000.00 in Healthy Homes Supplemental funding for the period of January 2, 2020 through July 1, 2023.

The proposed program would involve minor rehabilitation and hazard control activities within the homes of privately owned rental or owner-occupied housing of low and very low income families with children under the age of six with elevated blood lead levels (eblls): 10 µg/dL. LHC's LSHHHP plans to conduct lead hazard control activities on 175 residential units in the targeted parishes and also plans to provide Healthy Homes remediation to 60 homes.

The legal boundaries of the target areas will consists of 20 target parishes: Avoyelles, Caddo, Calcasieu, Catahoula, Claiborne, East Baton Rouge, East Carroll, Iberia, Jefferson Davis, Madison, Morehouse, Natchitoches, Orleans, Ouachita, Rapides, Red River, Sabine, St. Landry, St. Mary, and Webster.

LSHHHP completed an evaluation concerning potential impacts on the floodplain and possible alternative actions. The proposed program could involve projects located within a 100-year floodplain. The conclusion was that properties located in the flood zones or coastal areas would not be eligible for this first phase of the grant program.

The alternatives considered included: 1) Funding the proposed program in other areas of the jurisdiction; 2) relocation of housing units and families; 3) no action.

These alternatives were rejected for the following reasons: 1) the greatest need for the intended program was found to be in the designated target area/areas and those units/

families in need of the housing services exist in all areas of the target area/areas; 2) it is cost prohibitive and not feasible to physically move or raise structures out of the floodplain; 3) a no action alternative would certainly not serve to maintain affordable, safe (from lead-based paint or other housing-based health hazards as appropriate) housing for families.

In order to minimize risk and potential loss (to life, health, and financial investment), owners, and tenants will be notified that their units are located in the floodplain and flood insurance will be a required contingency to participation in the grant program. The amount and period of coverage will conform to the National Flood Insurance Program requirements.

An Environmental Review Record (ERR) respecting the subject program has been made by the above named responsible entity which documents floodplain information and contains a full description of the proposed actions. The ERR is on file at the address listed above and is available for public examination and copying upon request between the hours of 10:00am through 2:00pm.

Final approval of the LHC's LSHHHP - HUD Lead-Based Paint Hazard Control Grant Program will not be approved until/unless interested groups, individuals, or agencies have had an opportunity to comment. Comments will be accepted by Cindy Campbell, Program Manager at 11637 Industriplex Blvd, Baton Rouge, LA 70809 until July 30, 2021.
