Love The Boot Week

April 18-24, 2022

The Catahoula Economic & Industrial Development District is asking all areas to join with us in celebrating our Parish by organizing a week long community clean-up and beautification initiative - Love the Boot Week. This is an excellent opportunity for schools, churches, businesses, and all individuals to get involved in an activity that will benefit our entire Parish.

We will come together to show our love for our towns and villages. Love the Boot Week is dedicated to cleanup and beautification events in all 64 parishes across our great state. Together we can take positive steps to creating better communities for all of us.

Please let us know where you will be and what you will be doing, by emailing us at CatEIDD@yahoo.com. Also, you can send pictures of your clean-up and beautification activities to our Facebook page, so we can share the amazing work of our Parish. We will be forwarding pictures to the State, so make sure you get authorizations to publish.
